

2018 TSRC Mid-TN Chapter Seminar
Friday, August 24, 2018
Preston Research Building, Room 206

Please join us for an innovative Respiratory Care Seminar. This program is approved for 7.0 hours of continuing education in accordance with the TN Respiratory Board for Ethics and Patient Safety Requirements. AARC CEU approval in process.

This year's speakers are experts in their fields and are extremely excited to share their knowledge and experiences. This multi-focused event will provide thought provoking & critical thinking presentations geared to advance the importance of Respiratory Care

Registration is at the door starting at 07:00 AM where the seminar fee of \$40.00 dollars can be paid with cash or check payable to TSRC. To maintain a low fee, we regret credit or debit cards are not accepted. ATM units are on-site.
